RE: Monmouth County Bridges W-7, W-8 and W-9
Brielle and Manasquan Boroughs
Local Scoping Phase Stakeholder Meeting – April 21, 2016

Dear Stakeholder:

Monmouth County is re-evaluating the various alternatives of rehabilitation and/or replacement of the three bridge structures located at the border between the Boroughs of Brielle and Manasquan. The project area has been collectively known as “**Three Bridges**” to the local residents and involves the following roadways and waterways:

- W-7, Green Avenue Bridge over Debbie’s Creek
- W-8, Fisk Avenue Culvert over Debbie’s Creek and Glimmer Glass
- W-9, Brielle Road Bridge over Glimmer Glass

This re-evaluation requires the update of existing conditions and the Project Purpose and Need. Monmouth County is hosting a Stakeholders Meeting to provide project update and receive stakeholders’ feedback on the Project Purpose and Need. Your attendance at this Stakeholder Meeting is appreciated.

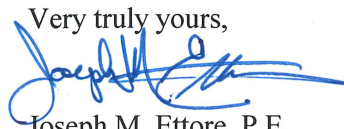

Stakeholder Meeting

Date: Thursday April 21, 2016
Time: 2:00 PM
Location: Manasquan Borough Hall Meeting Room
201 East Main Street
Manasquan, New Jersey 08736

Please advise us if you are able to attend and if you require specific accommodation by notifying the Project Team Facilitator Denice daCunha at ddacunha@rbagroup.com or (973) 946-5624 by April 18th.

A Public Information Center will be scheduled in the upcoming months which will also provide an opportunity for input.

We look forward to you meeting with you on April 21st and your involvement in this project.

Very truly yours,

Joseph M. Ettore, P.E.
County Engineer
